Kris & Erika – I am looking forward to our discussion today at 1:30 pm. Attached is an updated redline of the proposed Settlement Agreement. I accepted your changes and then redlined over that, so the edits and comment balloons represent comments and edits from SRC. To the extent possible, I'd also like to discuss the status of discussions with KAIC and Tri-Star (prospective tenant). And if you have any specific info, I'd like to know more about the projected timing of the work.

Cheers.
